*****Important Message: Free Bonus Craft!*****

Dear friend,

I just wanted to take a moment to thank you personally for purchasing from my shop.

It truly means the world to me. I asked my father to help me start this shop when I was only eight years old. Over the last 8 years, I've learned so much about creating art, biblical research, and curriculum creation, and I now create all the crafts and run this shop completely on my own.

My passion is making Bible teaching easier, more engaging, and filled with joy. If you found value in your purchase, your review would really make my day. Even just a few words greatly helps other parents, teachers, and church leaders discover crafts that are fun and rooted in sound biblical teaching.

As a heartfelt thank you for your purchase, I've included a link to a special bonus craft at the bottom of this sheet. I hope you find both your purchase and this bonus meaningful in your teaching journey!

Thank you again for being part of this journey and helping us point kids to Jesus.

In Christ,

Liam Philip

P.S. I'm a real person passionate about the gospel. If you have any issue with your purchase please message me and I will work to fix it as fast as possible.
