

Jesus Calms the Storm

While Jesus and His disciples were crossing the Sea of Galilee, a powerful storm arose. The disciples were terrified, but Jesus was asleep. When they woke Him, He calmed the storm with just a word. This miracle showed His power over nature and reminded the disciples—and us—that we can trust Him in the midst of life's storms.

Jesus and His disciples were crossing the Sea of Galilee when suddenly, a violent storm blew in. The waves crashed over the boat, and the disciples feared for their lives.

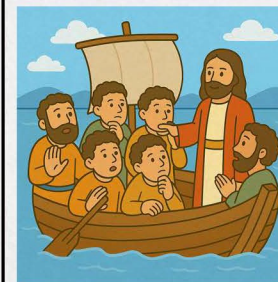

While the storm raged, Jesus was asleep in the back of the boat, unaware of the panic among His disciples.

The disciples woke Jesus, crying out, "Teacher, don't you care if we drown?" They were terrified and didn't understand how Jesus could be sleeping through such a storm.

He got up, rebuked the wind and the waves, and said, "Quiet! Be still!" Immediately, the wind died down, and the waves became completely calm.

The disciples were amazed and asked each other, "Who is this? Even the wind and the waves obey Him!"

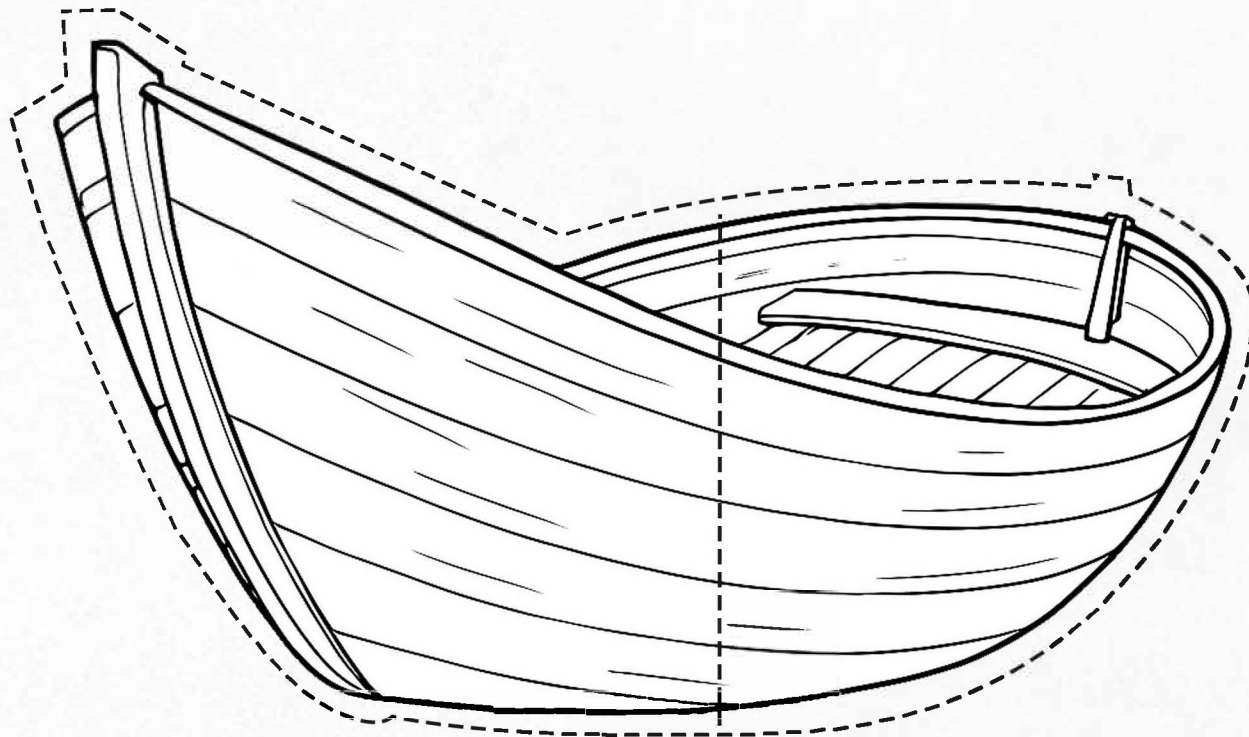

Jesus asked His disciples, "Why are you so afraid? Do you still have no faith?" He taught them that they could trust Him, even in the midst of the fiercest storms.
