

Noah Obeys God's Call

When God saw wickedness filling the Earth, He chose Noah for a special task. Even though people mocked him, Noah trusted God and built the ark exactly as instructed. Through Noah's obedience, we learn the blessing of trusting and following God's directions. Genesis 6:22 reminds us that obedience brings safety and blessing when we listen to God's guidance.

People on Earth had become wicked and violent. God saw their corruption and was deeply saddened, deciding to wipe out all living things and start over.

Noah was the only one who lived rightly and walked with God. God chose him to survive and gave him a special mission—to build an ark.

God gave Noah detailed instructions to build a giant boat (the ark). Noah obeyed, working for years while people mocked him.

When the ark was finished, God sent pairs of every kind of animal to Noah. He brought them onto the ark along with his family.

Rain poured for 40 days and nights, flooding the earth. Everything outside the ark was destroyed. The waters stayed high for months.

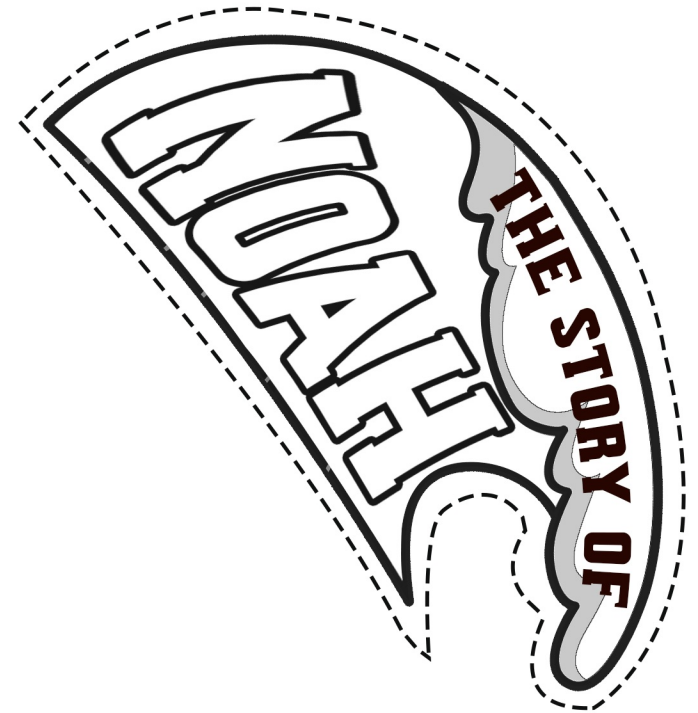

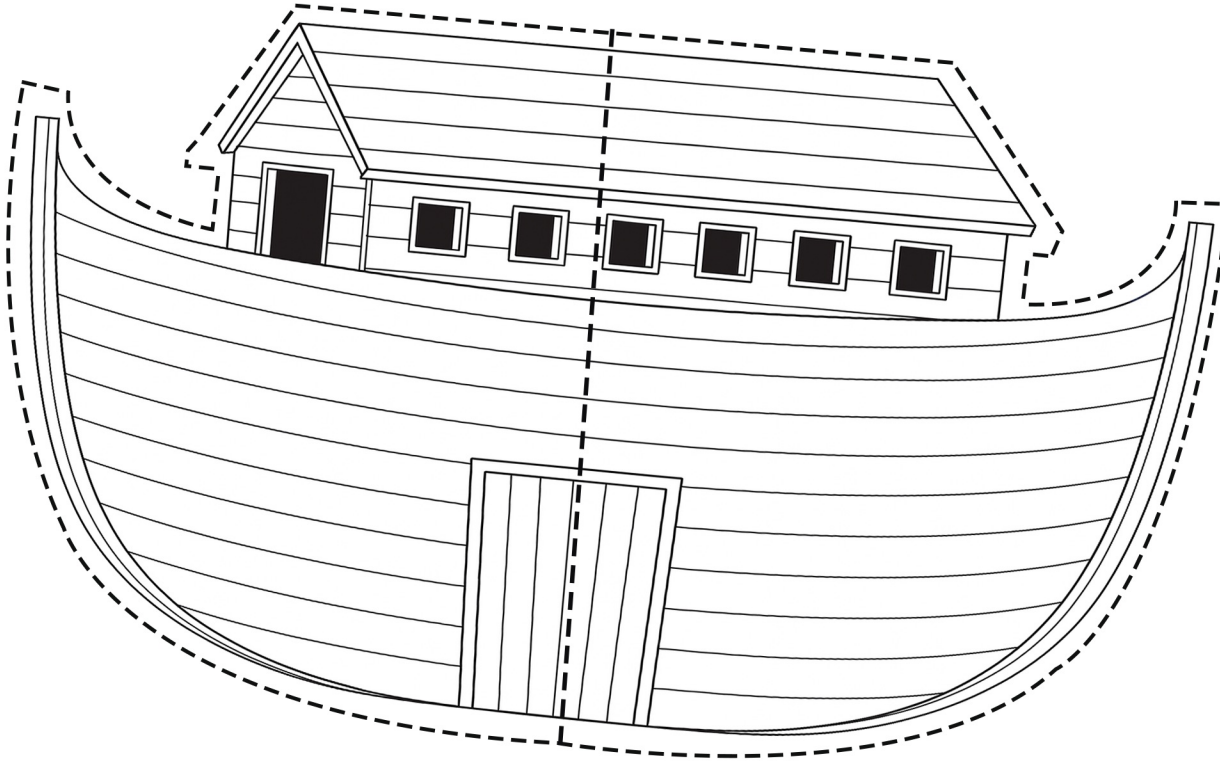

When the waters receded, the ark rested on Mount Ararat. Noah, his family, and the animals came out. God made a promise, marked by a rainbow, to never flood the earth again.
